Helping people find and follow God

PRAYER & PRAISE REQUEST FORM

At the Vineyard, we believe prayer is essential for connecting to God – we want to pray for each other and share the praise of answered prayer. For your protection and privacy, there are a few steps to follow before your prayer need or praise report can be made available to the entire church body.

1. Your request must be in writing and must include an authentic signature from the person requesting the prayer or reporting the praise (or a parent/guardian of a child).
2. Complete this form, then fax, mail or deliver it to the church office. Private requests will be confidentially emailed to the members of the prayer team; public requests will be posted on the online Prayer & Praise page for 2 weeks.
3. You will need to submit a new form to continue your original or make a new request.

If you have questions or need assistance, please call the church office at (304) 242-0463.
